

ABHISHEK KUMAR TIWARI

SOCIAL MEDIA MARKETING EXECUTIVE | CONTENT STRATEGIST | AI WORKFLOW AUTOMATION

Lucknow, Uttar Pradesh | +91-7838099915 | abhishek.tiwari1585@gmail.com

PROFESSIONAL SUMMARY

Digital marketing professional with hands-on experience in Social Media Marketing, Content Strategy, Meta Ads fundamentals, AI Workflow Automation, and Short-Form Content Production. Skilled in leveraging AI tools and automation systems to streamline content creation, audience research, competitor analysis, and marketing workflows. Proficient in Canva, CapCut, Filmora, ChatGPT, Claude AI, and Meta marketing tools for creating engaging social media content and supporting digital marketing campaigns. Brings over 10 years of prior experience in sales and team leadership from the pharmaceutical industry, adding business discipline, client handling, and target-driven execution to a digital marketing skill set.

WHAT I BRING TO THIS ROLE

- Practical, hands-on training across the full content and social media marketing stack — content strategy, Meta Ads fundamentals, and AI-assisted production.
- Working knowledge of AI workflow automation tools, used to speed up research, content ideation, and creative development.
- A decade of real-world business experience that brings market understanding, client handling, and target-driven discipline to a digital marketing role.
- A growth mindset and proven adaptability — made a complete industry transition through structured training and self-driven project work.

CORE SKILLS

- Content Strategy & Content Planning
- Audience Research & Competitor Analysis
- Reel Ideation & Short-Form Video Editing
- Meta Ads Manager & Meta Pixel
- Google Tag Manager (GTM)
- Audience Targeting & Ad Copywriting
- Creative Strategy & Ad Creative Development
- Prompt Engineering & AI Workflow Automation
- Research Automation & Data Extraction
- Team Leadership & Target Achievement — carried over from 10+ years of pharma sales experience

TOOLS

- Design & Video: Canva, CapCut, Filmora
- AI Tools: ChatGPT, Claude AI, Gemini AI, Perplexity AI, NotebookLM
- Automation & Data: Apify, Antigravity, ChatGPT Codex, GitHub
- Marketing: Meta Ads Manager, Meta Pixel, Google Tag Manager

EDUCATION & CERTIFICATION
